

Out of Town Menswear Orders:

Ordering from Blush:

- Go to <https://www.jimsformalwear.com/stores> and find a store location near you
- Call the store you are planning to go to before you go in, to make sure they take outside measurement requests without making you pay for it and that they have items to try on in store. **(If you are getting an ultra slim fit style this is VERY important)**
- Go in and get measured. Ask them for an out of town measurement form so that you can take your measurements with you to send them to us at Blush.
- Email madison@blushbridaloregon.com or call Blush at 541.636.4264 to give us your measurements.
 - o Make sure to include in your email or phone call the bride and grooms names and the date of their wedding.
 - o Also include if you are wanting to have the rental shipped to our store or to your house directly. There is a \$10 fee to have it shipped to anywhere besides our store.
 - o If we are shipping it to your house, then we will need the address to ship it to as well as the payment in full of your rental. If we are having it shipped to the store, then we just require a 50% deposit to be put down to place the order.
- If the order is being shipped to Blush, wait for a call from your party's groom or bride letting you know that it has arrived and come in as soon as you can to try it on.
 - o If the items are tried on at Blush on Thursday or Friday before the event, we are not able to place replacement items if something fits wrong unless you would like to pay for the overnight shipping charges. On average this fee is anywhere from \$50-\$85 for next day air shipping.
- Returns are due back Monday by 5pm or else there are late fees of \$25 per day per rental.
 - o When you pick up the tux/suit, we do require a credit card on file from the groom or bride to ensure the items are returned and this will be the card we charge late fees too if needed.

- If you had the items shipped to your house, we will get a credit card on file for you as well as the groom or bride to ensure the menswear items are returned to our store. They cannot be returned to another store or shipped back.
